CRUISES WITH INSPIRE

Cruises are a popular way for travellers to explore new destinations and experience a wide range of activities, all while enjoying the comfort and luxury of a floating hotel. With so many options available, it can be difficult to choose the right one. In this article, we'll explore a few of the different types of cruises you can book with our travel experts right now.

Ocean Cruises

Ocean cruises offer a unique way to see the world, as you sail from one destination to the next, enjoying all the amenities and activities the ship has to offer. Whether you're looking for a relaxing break or an adventure-filled experience, there is an ocean cruise that fits your needs. These cruises typically last anywhere from a few days to several weeks, and they offer a wide range of destinations, from the Caribbean and Europe to Asia and the South Pacific. Some ocean cruises even offer itineraries that allow you to visit multiple continents in one trip.

River Cruises

River cruises are a more intimate way to see the world, as they take you along the world's most scenic waterways. These cruises are ideal for those who want to get up close and personal with their surroundings, as the ships are smaller and offer a more relaxed pace of travel. River cruises also offer a unique opportunity to experience the local culture, with stops in small towns and villages along the way. Popular river cruise destinations include the Danube, Rhine, and Seine in Europe, as well as the Nile in Egypt and the Mekong in Southeast Asia.

Luxury Cruises

For those who want to indulge in a little extra luxury, these cruises offer all the amenities and services of a five-star hotel, including gourmet dining, spacious suites, and a range of activities and entertainment. Some luxury cruises even offer private butler service, allowing you to truly relax and enjoy your getaway. These cruises are ideal for those who want to experience the ultimate in luxury and comfort while they travel the world.

Cruise & Stay

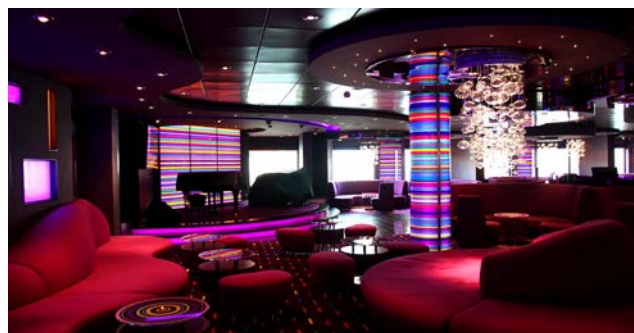

For those who want to combine a cruise with a land-based break, there are cruise & stay packages available. These packages typically include a week-long cruise, followed by a few days spent in a hotel or resort. This is a great option for those who want to see multiple destinations in one trip, or for those who want to extend their stay and enjoy a few days on land. Some cruise & stay packages even offer the opportunity to explore destinations not available on the cruise itinerary.

Each type of cruising has its own unique benefits, and there's no definitive best choice, but there's certainly no wrong one! Cruise presents a world of opportunity, from seeing multiple destinations in a single trip, to ultra-luxurious experiences with top-notch dining, spacious accommodations, and personal service. Enjoy the best of both water and land with an extended stay, or experience local culture along the waterways with river cruising. The choice between ultimately depends on your personal preferences!

Whether you're looking for a relaxing getaway, an adventure-filled experience, or a little extra luxury, there is something for everyone. So what are you waiting for? Check out a few of the great options available on the Inspire website, or call Inspire on **0161 440 6735** to plan your journey today!

Flavour as a Philosophy - Renowned for having The Finest Cuisine at Sea®, every sailing becomes a culinary journey, crafted by the most passionate team at sea. On a voyage with Oceania Cruises, you will experience heartfelt, intuitive service, with one chef to every 10 guests, all culinary experiences are nothing short of spectacular. Whether it's a French soufflé, Amalfi-style pasta, or inventive takes on street food classics, each dish tells a story - one rooted in place and served with purpose.

Quality ingredients are sourced with care and selected for freshness. Every element on the plate is intentional, elevating each meal into a moment worth savouring. Dining on board is as diverse as the ports themselves. From elegant, multi-course dining in the Grand Dining Room to wellness-inspired light bites at Aquamar Kitchen, every restaurant on board is complimentary and features open seating so you may dine wherever and whenever suits your taste and schedule.

Elegance at Sea - After a day of exploration, retiring to your suite is a true pleasure. Each stateroom is designed with sleek, Parisian-inspired interiors that seamlessly blend comfort with style. With more than 600 ports to visit in more than 100 countries on seven continents, Oceania Cruises offers unique, award-winning itineraries to some of the world's most desirable destinations.

Discover more with Oceania Cruises and spend up to 50% more time in port than big-ship premium lines. Choose from thousands of immersive small-group shore excursions led by local experts; it's not just about ticking off landmarks, it's about understanding the heartbeat of a place.

Mindful Enrichment - Life onboard is designed to enrich both mind and soul. The Culinary Center hosts hands-on classes led by expert chefs, while guest lectures and art workshops offer opportunities to engage with global culture, history, and creativity. On all ships, visit the Aquamar® Spa + Vitality Center for a relaxing treatment such as sea lavender and samphire wraps or book a bespoke personalised wellness consultation.

The World, Made Personal - In a world of fleeting travel experiences, Oceania Cruises offers something enduring, a chance to savour the journey, not just the destination. For those who believe that travel should nourish the soul as much as the senses, this is luxury redefined - elegant, enriching, and unforgettable.

CRUISE FAQ

Thinking about setting sail on your first ocean cruise and not sure what to expect? Or maybe you've had your maiden voyage and looking to brush up on your nautical knowledge?

In this guide from our product expert, **Chris Meddows**, we'll address the most common questions and concerns that first-time passengers have about ocean cruising. Whether you're looking for tips on how to make the most of your trip, or just want to avoid any surprises, we've got you covered.

What is included in the fare?

Inclusions vary by cruise line, but at Inspire we always aim to package as much value as possible at the time of booking. This typically covers accommodation (often a balcony cabin), drinks packages, Wi-Fi, and gratuities. We believe it is better for our customers to have these essentials built in from the outset, with the option to remove elements as you wish.

Would I qualify for any discounts?

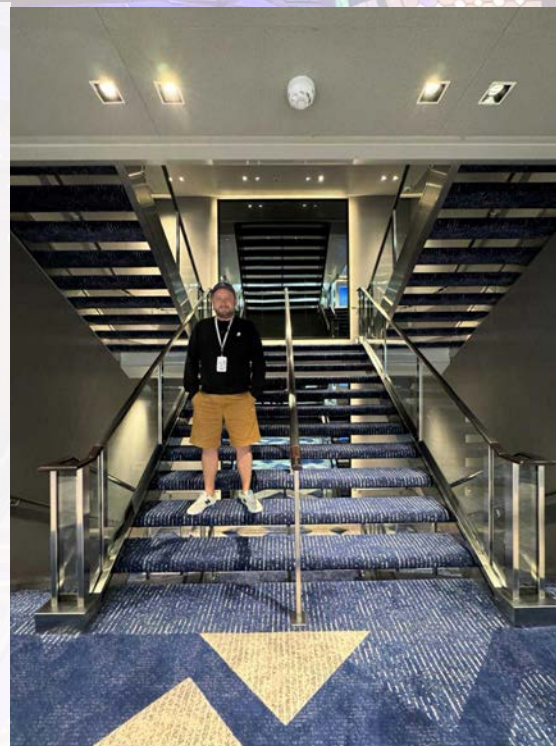

Potentially, yes. We always review the latest promotions and offers available. Many cruise lines provide discounts for returning guests, as well as occasional promotions for specific groups (for example, NHS workers). Our team ensures that all savings are applied wherever possible.

Can changing my dates save on fares?

It can. When planning your holiday, we assess whether your preferred travel dates fall within peak pricing periods. If so, we can recommend alternative sailing dates that may better align with your budget, while still delivering the itinerary you want.

What are the different cabin options?

Inside cabins are the most affordable option, with no windows, but easy access to public decks with excellent views. **Ocean View cabins** feature windows that provide natural light and scenic outlooks. **Balcony cabins** are the most popular choice, offering a private outdoor space to relax and enjoy fresh air. **Spa/Aqua cabins** are a premium options that include additional benefits such as spa access, perfect for a special occasion. Cabins also vary by category, from obstructed to full-view, depending on budget.

Should I pay more for a Balcony cabin?

Balcony cabins are highly recommended. They provide personal outdoor space, fresh air, and superb views. They're particularly rewarding when sailing into or departing from port. Many of our travellers find the upgrade well worth the additional cost.

What can I book in advance?

Most cruise lines allow pre-booking for key elements such as spa treatments, shore excursions, and speciality dining. Advance booking is strongly encouraged to secure preferred times and experiences, ensuring peace of mind during your holiday.

What are my options for dinner seatings?

Cruise lines typically offer several dining options, including early, late, and flexible "anytime" seating. Your preferred option can be requested at the time of booking. Buffet restaurants are also available on most ships, operating extended hours for more casual dining.

What is the dress code on my cruise ?

Dress codes differ by cruise line. The majority operate on a smart-casual basis, with optional formal or themed evenings such as black-tie events. Participation is at your discretion, our advice is always to travel in a way that ensures you are comfortable.

Are cruises suitable for children?

Yes. Modern cruise ships are designed for travellers of all ages. Facilities often include children's clubs, family-friendly activities, waterparks, and entertainment venues. Cruises can therefore provide an excellent family holiday, balancing relaxation for adults with dedicated spaces for younger guests.

What are gratuities?

Gratuities are service charges shared among the crew members who support your experience — including dining, housekeeping, and guest services staff. At Inspire, we typically include gratuities within the package price for simplicity and transparency. Guests retain the flexibility to adjust these arrangements if they prefer to manage tipping personally.
